Notification, dated 1st September 1936.

The following amendment is proposed by the Town Municipal Council, Hunsur, under Section 48 (i) of the Mysore Town Municipalities Regulation 1933, and is published for the information of the public. Any resident within the area of the Town Municipality, Hunsur, who has any objection or suggestion with respect to the draft amendment should communicate the same to the President, Town Municipal Council, Hunsur, within one month from the date this notification, after which date no objection will be entertained.

Substitute the following against item No. 13 Beedi under the heading rate 0-1-6 in the Schedule to the octroi bye-laws of the Hunsur Town Municipal Council, sanctioned in G. O. No. L. 6980-1—Ml. 47-34-38, dated 1st—6th April 1935 :—

13. Beedi 1,000 or part there-of 0-0-6.

Notification, dated 1st September 1936.

The following draft Bye-laws are framed by the Town Municipal Council, Hunsur, for the numbering and registration of vehicles kept for use within the Municipal limits, under Section 48 (1) (j) of the Mysore Town Municipal Regulation VIII of 1933, and are published for the information of the public. Any resident within the area of the Town Municipality, Hunsur, who has any objection or any suggestion in respect of the draft bye-laws should communicate the same to the President, Hunsur Town Municipality, within one month (30 days) from the date of this notification, after which date no objections will be entertained.

(1) Any person who is the owner of a vehicle liable to taxation in the Hunsur Town Municipality shall register such vehicle at the Town Municipal Office within thirty-one days of his newly coming into possession of such vehicle hereafter. When he continues to be in possession of such vehicle he shall also register it at the said office either for the half year within thirty-one days from 1st July or from the 1st January or for a year within thirty-one days from the 1st July of each year.

Explanation.—(*a*) Owner in these bye-laws includes the person in charge of such vehicle for the time being.

(2) The above registration shall be made on payment of the yearly or half-yearly tax on such vehicles in advance ; the carts shall be painted with a registered number with the prescribed colour for the year. Every Motor car, bus or lorry shall be registered free.

(3) Every vehicle thus registered shall be used with number or disc being conspicuously attached to it or other vehicle with the registered number painted on it.

(4) Any number or disc registered to a vehicle shall not be used to the other vehicles. If a number or disc is lost the Municipality after enquiry will give fresh numbers or discs after recovering the actual cost thereof,

(5) Any person who commits a breach of conditions laid down in these bye-laws, shall on conviction before a Magistrate, be punishable with fine which may extend to Rs. 50.

Notification dated 1st September 1936.

The following draft Rules and Bye-laws framed by the Hunsur Town Municipal Council under Section 46 (*h*) and 48 (i) of the Town Municipal Regulation VIII of 1933, are published for the information of the public. Any resident within the area of the Municipality of Hunsur, who has any objection or suggestion with respect to the draft bye-laws should communicate the same to the President, Hunsur Town Municipality, within one month from the date of this notification, after which date no objection will be entertained.

Draft Bye-laws regarding the Water Supply to the Hunsur Town.

1. No person shall (*a*) wash clothes and animals, etc., near the well close to the pumping station within a radius of 200 yards ;

(*b*) remove, break, injure, or open any lock, cock, valve and pipe work or engine belonging to or under the control of the Municipality in connection with water supply or ease near the reservoir area causing nuisance;

(*c*) flush or draw off any water in or derived from any such water-work to do any act whereby the water in any pipe or water-work is likely to be wasted or contaminated, or

(*d*) obstruct, divert or in any way injure or alter any water main or duct.

2. The water supplied by the Municipality is intended primarily for domestic use and therefore water, from a public stand-post or tap, shall not be taken for garden, irrigation or for building purposes. In the latter case the previous sanction in writing of the President should be obtained on such payment and under such conditions as may be settled by the Municipal Council. Provided that the use of the water from the public taps for non-domestic purposes mentioned therein shall not be permitted unless there is sufficient supply of water in the tank or source.

3. No person shall bathe or wash any animal, vehicle, clothes or utensils at any public stand-post or tap which is not specially set apart for the said purposes.

4. No person shall do anything to damage or disfigure the stand-posts or platforms or to obstruct the free flow of water from the platform.

5. No person shall water any animal at any public stand-pipe or cistern except at places prescribed by the Municipality for that purpose by notice posted thereat.

6. The Municipality may at any time with previous public notice stop the supply of water whenever it may appear to be unfit for use by the public.

7. The President of the Municipality or his authorised agent shall have power to stop or reduce the supply in any public main or sub-main for repairs or renewals without any notice. But when stoppage is over an extensive area, or is due to exigencies which can be foreseen such previous notice as is possible under the circumstances will be given by general *tom tom*.

7. (*a*) The President or his authorised agent shall have power to stop, or reduce the supply of any house connection in case of necessity to force water to any locality. In case of complete stoppage, previous notice of at least 12 hours shall be given provided nothing in this bye-laws shall be taken to restrict the power of the President or Council to stop water during the regular working hours.

8. Applications for house connections irom the public main or sub-mains are to be made in the prescribed form to the President or Vice-President with necessary plans and estimates, who is authorised to comply with such requisitions by owners of property who are required to lodge with him or his agent the cost of the attachment as specified below:—

	Rs.	a.	p.
½″ attachment	1	8	0
¾″ do	2	0	0

After the house connection estimate is sanctioned the rest of the transactions will be entirely between the owners and the plumber and the Municipality will not interfere in the matter of settlement of claims, etc., between the owner and the consumer.

9. Until further orders private house service connections will be limited to houses paying house or shop tax of not less than Rs. 3 a year in localities where a supply can be given without detriment to street service provided there are facilities to make proper arrangements for draining off the waste water to the Municipal drains subject also to the payment of three months fee in advance.

10. For houses taking ½″ and ¾″ connections a maximum of three taps may be given. A fee of rupee one for each ½″ connection and rupee one and annas eight for each ¾″ connection will be charged per month. Connections for non-domestic purposes such as garden, factories, presses, etc., will be charged at Re. 0-12-0 per 1,000 gallons up to 5,000 gallons and for every additional 1,000 gallons or part thereof at the rate of Re. 0-8-0 per 1,000 gallons. The minimum rate shall be Re. 0-12-0 whatever the quantity used may be up to 1,000 gallons.

11. The Municipal Council in consultation with the Water Works Department (Bureau of Sanitary Engineering) may give service pipes connections to factories, firms and other non-domestic purposes, which should be laid only by plumbers duly licensed or by the Municipal President or by the Municipal fitter on approved plans and specifications under conditions and rules sanctioned by the Municipal Council. The final connection between the private service pipes and the public water mains shall not be allowed until the work is inspected and passed by the President or his authorised agent.

11. (*a*) No alteration or extension shall be allowed without obtaining the sanction of the President and such works shall be carried out only by licensed plumbers or by the Municipal fitter.

(*b*) Repairs may however be carried out by owners of property after giving intimation to the President of the nature of repairs to be done, the work being entrusted to the licensed plumbers or Municipal fitter only.

12. For every connection given for non-domestic purposes such as garden, factories, presses, etc., there shall be provided at the cost of the owner and maintained in due working order a water meter for the accurate gauging of the water consumed. Garden does not include the garden in the compound of the dwelling houses.

13. Owners of houses or property and its occupiers shall be solely responsible for the payment of all charges due under these rules which shall be recoverable in the manner laid down in Chapter VIII of the Municipal Regulation. The water rate and other charges due under these rules are to be collected by the President or Vice-President of the Municipality or his authorised agent, monthly in advance on bills prepared in his office.

For all connections where a meter is fixed a charge of 0-4-0 a month shall be levied on the rent for the meter provided that for the periods when the meter is out of order, no rent shall be charged.

14. Arrangements will be made to read the meters as far as possible within the 5th of every month after due notice. The meter reader will leave with any available person in the house a slip showing the consumption of water during the preceding month.

In calculating the charges under the clause of metering the quantity of 500 gallons and below shall not be charged but when it is over 500 gallons, it shall be charged for as if it were 1,000 gallons.

15. All complaints regarding the accuracy of the reading or the non-receipt of slips referred to in Rule (14) should be made in writing to the President within the 10th of the month concerned, after which no complaints will be entertained.

16. Any owner or occupier of a house or property having a water connection who may suspect or dispute the accuracy of the measurements indicated by water meter may apply to the President or his authorised agent and have the meter tested on payment of a fee of rupee one per test. If on the actual test the quantity registered by the meter exceeds 10 per cent of the current quantity the fee will be refunded to the party concerned; otherwise it will be credited to Municipal funds.

17. The Municipal Council reserves to itself the right to test any meter for its own satisfaction at any time. Due notice shall however be given to the owner of the house or property concerned.

18. If on the examination of any meter it is found to be out of order and consequently not registering correctly, the consumption during the period since the last reading till the meter is repaired or new meter attached shall be calculated at the average daily consumption of the last registered period during which, in the opinion of the Municipality, the meter was registering correctly and the consumption of water was not for any reason abnormal.

19. The President or his authorised agent may at all reasonable times and with the permission of the owner, or if permission be refused after giving six hours notice enter any premises in which there is water connection in order to inspect and examine or repair the same.

20. The President or his authorised agent shall have the power to cut off the connection between the private pipes and the public main in any of the following cases:—

(*a*) In default of payment of the water rates and other charges, due under the rules or if any, bills presented on account of repairs to meters under rule above within ten days after the same shall have been demanded in writing or presented.

(*b*) If any house owner or occupier who is supplied with water shall use or permit the use of water for purposes in violation of the conditions on which the connection is granted provided that six days' previous notice is given in writing.

(*c*) In cases of leakages of pipes or other defects in the private services arrangements likely to cause loss of Municipality provided 48 hours' notice is previously given.

(*d*) If water is allowed to run to waste after the owner or occupier has been warned in printed or written notice against allowing such waste.

(*e*) If any case of broken pipes or fittings causing loss of water likely to cause damage to property when such notice as may be possible shall be given.

(*f*) In any case of refusal to allow the President or his agent to enter on any land or building for the purpose of inspecting service pipes, fittings, etc.

21. The bye-laws, 2, 3, 4, 5, 6, 7 and 17 stated above apply *mutatis mutandis* to public street fountains which have been or may be allowed to be erected at the expense of private individuals for dedication to public use, such fountains shall be further subject to following conditions:—

(*a*) That their number is strictly restricted by the *bona-fide* public requirements of particular localities which shall be decided by the Municipal Council.

(*b*) That they are not placed closer to any other public fountain than the minimum prescribed distance of 200 ft.

(*c*) That their free and unobstructed use at all hours by the public for whose use they are intended is duly safeguarded.

22. Any person infringing any of the bye-laws shall be liable to be punished with a fine not exceeding Rs. 50 on conviction before a Magistrate.

23. Plumber's license may be granted to those who pay rupees ten towards license fees.

24. No free connection shall be allowed except to temples, mosques, clubs and schools.

25. If the owners or occupiers of such houses or property (as stated in Bye-law 13) were to vacate or abandon such houses or property either temporarily or permanently the responsibility of informing in writing to the President or Vice-President shall rest upon such owners or occupiers before the 5th of every month signifying their intention not to use the water till they re-occupy the house or property and upon such application, the President or Vice-President shall arrange to cut off the water connection. In the case of houses or property remaining temporarily vacant for more than a month and a half the usual meter rate will be charged, but in the case of such temporary vacancy for a month or portion of a month, no reduction shall be made or refunded.

26. Service pipes to private properties shall be laid by plumbers only licensed by the Municipal Council on approved plans and specifications under conditions and rules sanctioned by the Municipal Council. The final connection between the private service and the public water mains shall not be allowed until the work is inspected and passed by the President, Vice-President or his authorised agent.

(*a*) No alteration or extension of private connection shall be allowed without previously obtaining the sanction of the Municipal Council and such works shall be carried out only by licensed plumbers.

(*b*) Repairs may however be carried out by the owners or occupiers of property after giving intimation to the President or Vice-President in writing of the nature of repairs to be done the work being entrusted to the licensed plumbers only.

27. The water rate and the meter rent or any other charges due under these rules shall be collected or caused to be collected by the President, Vice-President or his authorised agents every month in advance from the owner or occupiers of such houses or property who shall be solely responsible for the payment of all charges or rate or rent and all such dues under such bye-laws shall be collected as a Municipal demand and shall be subjected to the same rules as are provided in the Town Municipalities Regulation of 1933, provided that the bill shall be served or presented to the owners or occupiers liable to such water rate meter rent or other charges only once and for the first time and the Municipal Council shall not be bound to serve such bills at the beginning of every month unless there be an alteration or enhancement or reduction as the case may be, in which case a separate bill shall be presented or served.

(*a*) The Municipal Council may receive payment from the agent or occupier.

(*b*) In order to facilitate the adjustment of accounts between the owner of a house or property and his tenant or occupier, the President or Vice-President shall when required in writing, furnish a memorandum showing the consumption and probable charges on accounts of water rate and meter rent for any broken period of the month since the preparation of the last bill in his office.

28. Any person whose house connection is stopped for non-payment of dues, or leakages, etc., should pay a fee of Re. 1 for re-connecting the same.

29. The Municipality reserves to itself the power whenever it deems fit to or alter or modify the foregoing rules or to abolish altogether the system of house connection establishment thereunder or to stop or to reduce the supply of any private attachment or any public fountain, without assigning any reason whatsoever.
